HONORS COLLEGE

Dear Readers,

We are proud to present you with the Spring 2010 edition of *Sabiduria*.

Congratulations to the authors we are publishing this semester, and thank you for all the submissions we received. With your help we can continue to publish the best research papers our honors students produce at Palm Beach State College. We encourage those of you who have written research papers this semester, or in previous semesters, to submit them to be reviewed for publication in the next edition of *Sabiduria*. Our thanks go out to our team of reviewers who helped us to select the papers for this edition. We had a great team and appreciate all the work that they put into the review process. We would also like to thank Professor Baird, for helping us complete the review process, and all of the staff at Palm Beach State College who helped us to organize our meetings. Congratulations again to those who have been published. We hope you enjoy the Spring 2010 edition of *Sabiduria*!

Sincerely,
