### Policy:

1. Students enrolled in a designated course and/or program must purchase liability insurance in amounts specified by the College through the College-approved insurance carrier.
2. Transportation to community agencies for clinical experiences will be the responsibility of the student.
3. Designated courses and curricula including, but not limited to health occupations, public services, engineering, computers, and photography may involve additional costs for the purchase of such items as uniforms, instruments, and other special supplies and equipment.
