Delta Omicron is a chapter of Phi Theta Kappa: The Honor Society for the Two-Year College. We are located at Palm Beach State College in Lake Worth, Florida.

Each college (or college campus) represents a different chapter within Phi Theta Kappa. There are 78 chapters and eight alumni chapters in Florida. Palm Beach State College has four locations and the Lake Worth chapter is Delta Omicron. Delta Omicron is the oldest community college chapter in Florida. It was founded in 1943, and has won many national awards since then. Delta Omicron has attained a Five Star Rank since the inception of the Five Star Program.

The purpose of Phi Theta Kappa shall be to recognize and encourage scholarship among two-year college students. To achieve this purpose, Phi Theta Kappa shall provide opportunity for the development of leadership and service, for an intellectual climate for exchange of ideas and ideals, for lively fellowship for scholars, and for stimulation of interest in continuing academic excellence.

Phi Theta Kappa's mission is two-fold: 1) recognize and encourage the academic achievement of two-year college students and (2) provide opportunities for individual growth and development through participation in honors, leadership, service and fellowship programming.
